There are about 15 local motels in Albany, Lebanon & Corvallis with rates ranging from \$69 (not recommended) to \$219. Albany, Lebanon, Salem & Jefferson have RV parks.

Several chapters and individuals have donated \$1,500 to bring the Wall of Honor to our Romp! The City of Albany has offered the use of the pickleball court at Hackleman Park which will allow us to lock it up each night for security. We'll still need someone to keep an eye on the wall when it is closed, just to be on the safe side. In order to have Vets Helping Vets HQ set up the wall we need to secure a four-sided tent to protect it from increment weather. The wall can be set up in two ways which would require either a 50x60x12 or 40x70x12 which if rented could cost up to \$3,000. So, if anyone has contacts with the tribes, organizations that own this size of tent that would be willing to sponsor this project please let anyone on the committee know their contact information.
